

I Can Do All Things Through Christ.

v1 I can do all things through Christ which strengthens me
And every day I speak in tongues
It's perfect prayer you see.

Chorus And I thank my Father
For first loving me
'Cos I can do all things through Christ which
Strengthens me.

v2 Every time that I get down I thank God for blessing me
And every time I read His Word
I remember I've got Christ in me.

Chorus And I thank my Father
For first loving me
'Cos I can do all things through Christ which
Strengthens me

Repeat Chorus again
