

Here I Am Lord.

v1 I was lost, and lonely, worries and fears were my life
Then someone told me about God's Word, and how I could live
the more abundant life.

Chorus Here I am Lord, send me
'Cos I will speak your Word to those who want to hear
Here I am Lord, send me
'Cos I have learned to love, and I have learned to give,
Here I am.

v2 Every day, I get stronger, I renew my mind and put on the Word
of God,
I speak in tongues, to the Father, and I delight in Him 'cos He
has rescued me.

Chorus Here I am Lord, send me
'Cos I will speak your Word to those who want to hear
Here I am Lord, send me
'Cos I have learned to love, and I have learned to give,
Here I am.
