

Look Only To God.

v1 The morning has broken, the sun's on the rise
The songbird is singing, it's such a delight
And I read in God's Word, His great love for me
And I want to look only to God.

v2 God's called us to serve Him, others' to win
The way that we do this, look only to Him
By praying for labourers that He will send
So they too can look only to God.

Chorus Not in your own strength
Not in your own might
But by the spirit of God.

v3 We're building God's House, the Body of Christ
we're built up and nourished by the words of life
And we heal one another by the power of God
And we're doing the works of Christ.

Chorus Not in your own strength
Not in your own might
But by the spirit of God.

v4 The harvest is plenty, the labourers are few
So pray to The Lord He'll send labourers to you
And declare God's Word and speak the truth
So others' can look only to God
So others' can look only to God.
