

Praise You God.

v1 I praise you God, 'cos the life I have is worth the living
I praise you God, for your love and all your giving.

Chorus Your Word's a lamp unto my feet and a light unto my path
You will walk with me no matter where I am.

v2 I praise you God, 'cos you've given me holy spirit
I praise you God, 'cos my life has changed now you're in it.

Chorus Your Word's a lamp unto my feet and a light unto my path
You will walk with me no matter where I am.

v3 I thank you God, now your Word is my desire
I thank you God, 'cos you've set my heart on fire.
